Week 4 Transfers

Transfers

Transfers are not covered in RWPB.

They do however provide more flexibility that the more basic Acol scheme.

This week we watched the first 45 minutes of the Mr Bridge / Bernard Magee DVD "Responding to 1NT". An excellent explanation of Transfers.

Week 4 Play

Play

Divide yourselves into pairs and then into tables.

This week I may ask you to move.

NS have the pair number of their table, N has his back to the screen.
EW have the pair number of their table plus 8.

When you have played a hand, pass it to the next numbered table in sequence. The highest numbered table passes to table 1.

And one last thing – **as part of the learning process** – I would like the partner of whoever has just bid to take whatever action is **standardly required** (announcing 1NT to be 12-14 points, ALERTing a conventional bid, ...) – **AND ALSO** to give a brief **description** to the other three players on what the bid means.

**Any questions?**   **Tea / coffee & biscuit. (20p)**   **PLAY**
